Event Descriptions

Make:SF Monthly Meeting

Meet with local makers and do a show-and-tell of your technology, craft, or art projects. Check out <http://makesf.org> for information. First Tuesday of every month.

April 6 - Tuesday - 7 - 8 PM

Weekly Bloggers Support Group

Digital media teacher and blogger Ted Curran guides the group as we discuss technologies, marketing, design, writing, and other questions.

\$5 - Fridays - 12:30 - 2 PM

Drupal 501(c)3

Weekly "coffeehouse" style working meetup, with an emphasis on sharing support for non-profit and community oriented projects.

Fridays - 2 - 4 PM

Electronics Night

Work on projects in a social evening of fellow inventors and electronics hobbyists. We have plenty of tools and solder. *RSVP required.*

Most Wednesdays - 7:30 - 10 PM

LocalPreneur Meetup

In this meetup, we will look at using LinkedIn to promote your company and you, featuring Gini Scott PhD, JD. RSVP at <http://www.meetup.com/Eastbay-LocalPreneurs-Meetup-Group/calendar/12681586/>

\$5 - April 13 - Tuesday - 6:30 - 8:30 PM

East Bay WordPress Meetup

Meet other WordPress users and programmers at this monthly meeting. See <http://www.meetup.com/Eastbay-WordPress-Meetup/> for more info and to register.

\$3 - April 18 - Sunday - 1 - 3 PM

Featured Workshops

Sick Computer Day

Whether it needs a tune up or major surgery, our onsite tech consultant offers free inspections and quotes, and competitive prices for tune-ups and repairs on both PCs and Macs.

Registration recommended.

April 6 - Tuesday - 11 AM - 5 PM

Art Exhibit Opening: Hilda Gutierrez

Join us for an evening of nosh and drinks as we enjoy Tech Liminal's first art exhibition. We will be showing the works of Hilda Gutierrez during the months of April and May.

April 9 - Friday - 6:30 - 9 PM

The Perfect Word: Tech Talk & Geek Speak

Do people wonder what language you speak when describing your work as developing parallel monitors for Ruby on Rails applications across load-balanced servers? Join linguist Miriam R. L. Petruck, Ph.D., of The Perfect Word for an interactive workshop to demystify tech talk and geek speak.

April 12 - Monday - 6 - 7 PM

Learn 2 WordPress

Join us for a 5-week course that will get you started with the WordPress blogging platform.

\$20 each or pre-register for all 5 for \$90

starting April 19 - Mondays - 6 - 8 PM

Business Growth Design Studio

Turn your ideas into services, products or publishable content customers want to buy! Visit <http://www.businessvaluealliance.net/> for more info and to enroll

Registration required.

April 22 & 29 - 9:30 AM - 12 PM
